**RE: Request for student's Industrial attachment**

Dear .....

In order to empower our students with professional skills in the field of Computer Science option of Software Engineering, an Industrial attachment is organized to enable them meeting with professionals and be able to get insight on daily challenges they encountered so as to raise their ability of responding to the need of market. The Industrial attachment is mainly focused on **Building Web Applications Using Different Programming Languages, Designing and Implementation of Algorithms, Web Security, Designing and Implementation of Database, Database Security, Designing and Implementing Artificial Intelligence Based Projects, Using Different Tools for Task Management Such as JIRA or Trello, and Participating in Team Meetings.**

I humbly request you to allow our student named ..... registered in Computer Science Department, A0 program, Academic year 2024-2025, to do an Industrial attachment for a period of eight weeks in your institution. We hope that our request meets your consideration. This Industrial attachment will start from **15<sup>th</sup> April 2025 up to 15<sup>th</sup> June 2025.**

From our side, the contact person is **SHIMIRWA Aline Valerie**, the industrial attachment coordinator and her mobile phone number is **+250784931189** and her email is **a.shimirwa@ines.ac.rw**.

Yours sincerely,

**Dr. UWILINGIYIMANA Charline**

**Deputy Vice Chancellor for Academic and Research**
